(203) 565-3833

Location: F-Building, the area leading away from Truckwell #8

Date of spill/incident: 11/6/89   Time: 1200 Hrs

Material involved: Hydraulic Fluid   Quantity: 50 Gallons

Description or cause of spill/incident:The hydraulic system failed
on a truck owned and operated by Suisman & Blumenthal, 500 Flatbush
Ave, Hartford CT, as it was pulling away from truckwell #8 while
hauling a metal reclaim hopper. The Suisman & Blumenthal truck,
identification number HH8, was driven by Mr. C. Blank who assised
with the clean-up.

Extent of contamination and injuries:There was no contamination to
the environment and no injuries.

Corrective action taken:The catch basins in the area were bermed
off with pigs to prevent entry into Willow Brook. The oil spill was
absorbed with sawdust and disposed of at the Pratt & Whitney waste
treatment facility. The incident was reported to Mr. M. DeCaprio at
The Connecticut D.E.P. at 1315 Hrs by James Klemes.

The information on this report is correct to the best of my knowledge.
